

San Tan Charter School Athletics Information

Athletics Administration

Athletic Director: Miyone Roanhorse mroanhorse@santancs.com

Principal: Brandon Tauscher btauscher@santancs.com

Fall Sports General Information

San Tan welcomes any experience level so whether you are first trying a sport or have many years of experience, we invite you to join and help us hang another championship banner! Roadrunner Athletics has an incredible tradition of strong performers since opening its doors and our experienced coaches work with all students at their individual level to promote good academics and sportsmanship in a competitive interscholastic environment. Junior High (\$150)	High School (\$200/\$300 FB)
Cheer	Cheer
Co-Ed Golf	Co-Ed Swim
Flag Football	Girls Volleyball
Girls Volleyball	Tackle Football

Registration Process with Student Central

Our Junior High Athletics Program is open to all 5th-8th Graders and our High School Athletics Program is open to all 9th-12th graders. We will be sending out the registration link within the next two weeks. After completing the initial registration you will receive a confirmation email with an additional link to our new athletics forum. This year we will use *Student Central*. The link to the Student Central forum is where you will upload all documents (physical examination, liability waiver, San Tan Athlete Code of Honor, etc.). **You are allowed to drop off a physical copy of your student athlete physical to the front office to ensure all documents are checked.**

All student athletes must be cleared through Student Central before participating in any practice.

Annual Pre Participation Physical Examination

A new sports physical is required each school year. I have attached the new 22-23 physical form that will need to be completed at the time of your student athletes sports physical appointment. Families will need to schedule their own appointment for a sports physical.

AIA Brainbook and Opioid Education Courses

High School student athletes must complete the AIA Brainbook and Opioid Education courses prior to participating in a High School sport. Your student-athlete(s) can complete the course by [clicking here](#). Once these courses are completed, please upload the completion certificates into Student Central.

Fall Sports Practice Times

High School Football: Practice season starts on July 25th

All Other High School Sports: Practice season starts on August 8th

Junior High Sports: Practice season starts on August 30th

Athletics Family Pass

All High School games have a gate fee of \$5 per adult and \$3 per student/child. For the convenience of our families, we will be offering Athletic Family Passes for the immediate and non-immediate families of our San Tan Athletes. The options include \$50 per season or \$100 for the year. Tickets may be purchased for immediate family members (i.e., parents/guardians and siblings under 18). All other non-immediate family members (i.e., grandparents, aunts/uncles, cousins, etc.) are also welcome to purchase a family pass for entrance into the games. To purchase your family pass please click here: [Athletic Family Pass](#)

Athletic Sponsorship

Would your business or family like to support our STCS Roadrunner Athletics Program by becoming an athletic sponsor? We have a variety of sponsorship packages which allows entry for any budget. This is a great way to promote your business while supporting our San Tan Athletes. For more information about becoming a sponsor or to initiate the process, please click here [Athletic Sponsorship](#).

Transportation

We have 2 school vans that service all of our athletic teams. We try to offer a van for away games whenever possible but a van isn't always available. Coaches will communicate with as much notice as possible for all help we are needing. If your student-athlete(s) attend school at the Recker Campus and you will need them transported from Recker to Power for practice and home games, please fill out the following Google Form to request the transportation schedule for your student-athletes (limit of 14 student athletes).

[Transportation Request Form](#)

Academic Eligibility

San Tan believes in the Student Athlete and that the student is the number one priority. We have a policy of no F's. We will pull an eligibility report every Tuesday morning. Any student athlete who has any F's will receive an email from our Athletic Director letting them know they are ineligible for one week. This week begins on Wednesday and runs through the following Tuesday. This means a student may still attend practices but won't be released early for away games or home games. Students' top priority needs to be keeping up on classwork and turning in assignments on time. It is the student's responsibility to also make sure they check in with all teachers on any work missed when they do leave early for a game. Our athletics department encourages all of our students and athletes to make sure they have access to their Infinite Campus portal to have continued access to see all missing assignments and grades.

Attendance Eligibility

All student athletes must be enrolled in a full schedule at STCS and/or EVIT to be eligible for athletics. For game day eligibility a student must attend a **minimum** of the 4 class periods of the school day. If they are not in attendance on game day for 4 periods of the school day, they will not be eligible to participate in the game that day unless excused by STCS. Ineligible students will not be released early from class or travel to away games with their team. If an athlete is marked **absent or excused absence** in their attendance for the school day, they aren't allowed to attend practice that day.
